I believe that Israel is now very close to the Ezekiel 38-39 Gog Magog War. This will happen suddenly as a real surprise. Somehow Iran is the key to this war. God, not Israel, will win this War. After the War the religious Orthodox Jews will come into great political power and will begin building their house on the Temple mount. They will persecute the believers in the land. And then God will pour out His Spirit powerfully with signs, wonders and miracles for many years, in the greatest World Revival of all times.

On June 16, 1999, while high in worship at Mount Zion Fellowship in north Jerusalem, I was suddenly shown two quick visions by God of the coming Great World Revival.

In each of the two visions shown me by God I saw the Zion hills and the Ben Hinnom Valley with many people, with their hands raised up in the air, as the Great Outpouring of God's Holy Spirit came down upon them.

This prophesied location for the coming Great World Revival and Harvest of souls is **the Ben Hinnom Valley** in Jerusalem. The Valley is located near the Old City wall, and also below Mount Zion hotel.

The Ben Hinnom Valley is part of the Jerusalem Walls National Park, which was established in 1974.

*Surely He has borne our griefs and carried our sorrows;  
But He was wounded for our transgressions, He was bruised  
for our iniquities; The chastisement of our peace was upon  
Him, and with His stripes we are healed. Isaiah 53:4,5*
